Subject: IndiaSkills Competition 2023 – Registration & Guidelines- reg

As you are aware, the IndiaSkills Competition serves as a benchmark for vocational education and training systems, fostering excellence and encouraging young minds to pursue their passions in a wide array of industries. This skill platform provides a unique opportunity for individuals to showcase their skills and talent in various skills at both national and international levels. It is also a precursor to the World Skills Competition, which is held once in two years and facilitates the exchange of information and best practices among the 86 participating countries, industry leaders and educators.

2. In this regard, Shri Dharmendra Pradhan, the Hon'ble Minister of Education, Skill Development and Entrepreneurship, officially launched the IndiaSkills Competition 2023 on 17th October 2023. The Hon'ble Minister emphasized the importance of widespread outreach and increasing student participation in this competition.

3. Now, the registrations for participating in the competition are open for interested and eligible students to register and participate in this esteemed competition. The link for registration is https://worldskillsindia.co.in/ and the user manual with comprehensive guidelines for registering is enclosed.

4. It is also informed that a different structured approach will be followed for the IndiaSkills 2023 Competition than in previous years. This includes - the IndiaSkills State, Pre-national, and National Skills competitions. The National level winners, selected through a meticulous process, will get the opportunity to represent India in the WorldSkills Competition and other international skill competitions.

5. It is requested to kindly encourage the talented and eligible students who meet the age criteria for their respective skills, to register themselves for the competition.

6. The key information for the IndiaSkills Competition 2023 are as follows :

Registration link : https://worldskillsindia.co.in/

Last date for Registration: November 30, 2023 (tentative)

Skills Categories: 53 aligned with World Skills & 8 exclusive to IndiaSkills National Competition

7. We seek your valuable support in facilitating the registration of eligible students. We also look forward to your commitment and support in promoting skill development and your active involvement in this prestigious event.

Yours faithfully,

Encl. : As above
