 - DG/JS asked QCI regarding the total number of clarification applications pending with QCI, not only for the state of Rajasthan but for other States as well. QCI informed that a total of 39 applications are pending for clarification with them. He further asked QCI to forward the clarifications at the earliest, so that these applications could be cleared.
 - DG/JS made a reference to the meeting of Sub-Committee of NCVT dealing with norms & courses held on 17th Dec 2015, in which decision to open minimum two trades and capping of 2 units per shift was approved. He inquired from QCI the reason why the applications accredited by QCI for existing ITIs and forwarded to DGT, with more than 2 units per shift not fulfilling 17th Dec 2015 Sub-Committee of NCVT decision. QCI explained that capping criteria is only for New ITIs, however this explanation not accepted by the members. **The members opined that the decision taken on 17th Dec 2015 by the Sub-Committee of NCVT is applicable for all ITIs, with cap on units as 2 per shift for grant of affiliation and ITIs to open minimum two trades.**

After long deliberation it was decided that QCI should submit the reason why the decision of capping of minimum trades & maximum

S.S.L

2 units in each shift has not been considered by them for existing ITIs as per 17th Dec 2015 Sub-Committee of NCVT MoM.
