New Delhi, dt 08/10/2020

To,
All State Directors dealing with ITIs

Subject: **Popularising Mock Test APP for practice by ITI trainees**

Sir/ Madam,

This is in continuation to our letter dated 7th Oct 2020 regarding the above mentioned subject wherein the salient features of the mock test App was mentioned and you were requested to popularise the same to all the ITIs and trainees.

The analysis report of instructors from different states using the Mock tests, to schedule mock tests for their students is given in the Annexure-I for information. The states of Kerala, Tamil Nadu and Gujarat are front runners in conducting extensive mock tests for their students(Annexure-II and III).

The State Directorates may insist on the Institutes to make the best use of this mobile application to get their students trained. Instructors can generate a question paper and conduct the exam using any mobile device by sharing the exam ID with their students. To analyse the student performance, an exam report is generated after completion of the examination in the Instructor login.
State Directorates will be provided with a dashboard to monitor the Exams being conducted by the Instructors, Institute wise and student performance.

Extensive usage of the Mobile application will help the students to gain Skill knowledge and further help in enhancing their prospects of getting good job.

You are therefore requested to take necessary action for popularising it for practice by ITI trainees.

Yours faithfully

(NEELAM SHAMI RAO)
Director General (Training)
