I. Form of Contract

TIME-BASED

This CONTRACT (hereinafter called the "Contract") is made on the 03rd day of the month of May 2018, between, on the one hand, DGT, Ministry of Skill Development & Entrepreneurship (hereinafter called the "Client") and, on the other hand, KPMG Advisory Services Private Limited (hereinafter called the "Consultant").

The total contract value is **INR 16,40,58,414 (Indian rupees Sixteen crore forty lakh fifty eight thousand four hundred and fourteen only)** excluding applicable taxes.

WHEREAS

- (a) the Client has selected the Consultant through Expression of Interest and Request for proposal to provide certain consulting services as defined in this Contract (hereinafter called the "Services");
- (b) the Consultant, having represented to the Client that it has the required professional skills, expertise and technical resources, has agreed to provide the Services on the terms and conditions set forth in this Contract;
- (c) the Client has applied for a credit from the *International Development Association (IDA)* toward the cost of the Services and intends to apply a portion of the proceeds of this credit to eligible payments under this Contract, it being understood that (i) payments by the Bank will be made only at the request of the Client and upon approval by the Bank; (ii) such payments will be subject, in all respects, to the terms and conditions of the financing agreement, including prohibitions of withdrawal from the credit account for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import, to the knowledge of the Bank, is prohibited by the decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations; and (iii) no

party other than the Client shall derive any rights from the financing agreement or have any claim to the credit proceeds;

NOW THEREFORE the parties hereto hereby agree as follows:

1. The following documents attached hereto shall be deemed to form an integral part of this Contract:

- (a) The General Conditions of Contract (including Attachment 1 "Bank Policy – Corrupt and Fraudulent Practices);
- (b) The Special Conditions of Contract;
- (c) Appendices:

- Appendix A: Terms of Reference
- Appendix B: Key Experts
- Appendix C: Remuneration Cost Estimates
- Appendix D: Reimbursables Cost Estimates
- Appendix E: Form of Advance Payments Guarantee – Not Applicable
- Appendix F: Form of Performance Security

In the event of any inconsistency between the documents, the following order of precedence shall prevail: the Special Conditions of Contract; the General Conditions of Contract, including Attachment 1; Appendix A; Appendix B; Appendix C and Appendix D; Appendix E. Any reference to this Contract shall include, where the context permits, a reference to its Appendices.

2. The mutual rights and obligations of the Client and the Consultant shall be as set forth in the Contract, in particular:

- (a) the Consultant shall carry out the Services in accordance with the provisions of the Contract; and
- (b) the Client shall make payments to the Consultant in accordance with the provisions of the Contract.

IN WITNESS WHEREOF, the Parties hereto have caused this Contract to be signed in their respective names as of the day and year first above written.

For and on behalf of DGT, M/o Skill Development & Entrepreneurship

Shri. Vijay Kumar Dev, DG/AS, (DGT, Ministry of Skill Development and Entrepreneurship)

For and on behalf of KPMG Advisory Services Private Limited

Mr. Narayanan Ramaswamy, Partner, KPMG Advisory Services Private Limited

II. General Conditions of Contract**A. GENERAL PROVISIONS****1. Definitions**

1.1. Unless the context otherwise requires, the following terms whenever used in this Contract have the following meanings:

- (a) "Applicable Guidelines" means the Guidelines for Selection and Employment of Consultants under IBRD Loans and IDA Credits & Grants by World Bank Borrowers, dated January 2011 ("Consultants' Guidelines").
- (b) "Applicable Law" means the laws and any other instruments having the force of law in the Client's country, or in such other country as may be specified in the **Special Conditions of Contract (SCC)**, as they may be issued and in force from time to time.
- (c) "Bank" means the International Bank for Reconstruction and Development (IBRD) or the International Development Association (IDA).
- (d) "Borrower" means the Government, Government agency or other entity that signs the financing agreement with the Bank.
- (e) "Client" means the implementing agency that signs the Contract for the Services with the Selected Consultant.
- (f) "Consultant" means a legally-established professional consulting firm or entity selected by the Client to provide the Services under the signed Contract.
- (g) "Contract" means the legally binding written agreement signed between the Client and the Consultant and which includes all the attached documents listed in its paragraph 1 of the Form of Contract (the General Conditions (GCC), the Special Conditions (SCC), and the Appendices).
- (h) "Day" means a working day unless indicated otherwise.
- (i) "Effective Date" means the date on which this Contract comes into force and effect pursuant to Clause GCC 11.
- (j) "Experts" means, collectively, Key Experts, Non-Key Experts, or any other personnel of the Consultant, Sub-consultant or JV member(s) assigned by the Consultant to perform the Services or any part thereof under the Contract.
- (k) "Foreign Currency" means any currency other than the currency of the Client's country.
- (l) "GCC" means these General Conditions of Contract.

- (m) "Government" means the government of the Client's country.
- (n) "Joint Venture (JV)" means an association with or without a legal personality distinct from that of its members, of more than one entity where one member has the authority to conduct all businesses for and on behalf of any and all the members of the JV, and where the members of the JV are jointly and severally liable to the Client for the performance of the Contract.
- (o) "Key Expert(s)" means an individual professional whose skills, qualifications, knowledge and experience are critical to the performance of the Services under the Contract and whose Curricula Vitae (CV) was taken into account in the technical evaluation of the Consultant's proposal.
- (p) "Local Currency" means the currency of the Client's country.
- (q) "Non-Key Expert(s)" means an individual professional provided by the Consultant or its Sub-consultant to perform the Services or any part thereof under the Contract.
- (r) "Party" means the Client or the Consultant, as the case may be, and "Parties" means both of them.
- (s) "SCC" means the Special Conditions of Contract by which the GCC may be amended or supplemented but not over-written.
- (t) "Services" means the work to be performed by the Consultant pursuant to this Contract, as described in Appendix A hereto.
- (u) "Sub-consultants" means an entity to whom/which the Consultant subcontracts any part of the Services while remaining solely liable for the execution of the Contract.
- (v) "Third Party" means any person or entity other than the Government, the Client, the Consultant or a Sub-consultant.

2. Relationship between the Parties

2.1. Nothing contained herein shall be construed as establishing a relationship of master and servant or of principal and agent as between the Client and the Consultant. The Consultant, subject to this Contract, has complete charge of the Experts and Sub-consultants, if any, performing the Services and shall be fully responsible for the Services performed by them or on their behalf hereunder.

3. Law Governing Contract

3.1. This Contract, its meaning and interpretation, and the relation between the Parties shall be governed by the Laws of India.

4. Language

4.1. This Contract has been executed in the language specified in the SCC, which shall be the binding and controlling language for all matters relating to the meaning or interpretation of this Contract.

5. Headings

5.1. The headings shall not limit, alter or affect the meaning of this Contract.

6. Communications

6.1. Any communication required or permitted to be given or made pursuant to this Contract shall be in writing in the language specified in Clause GCC 4. Any such notice, request or consent shall be deemed to

have been given or made when delivered in person to an authorized representative of the Party to whom the communication is addressed, or when sent to such Party at the address specified in the SCC.

6.2. A Party may change its address for notice hereunder by giving the other Party any communication of such change to the address specified in the SCC.

7. Location

7.1. The Services shall be performed at such locations as are specified in **Appendix A** hereto and, where the location of a particular task is not so specified, at such locations, whether in the Government's country or elsewhere, as the Client may approve.

8. Authority of Member in Charge

8.1. In case the Consultant is a Joint Venture, the members hereby authorize the member specified in the SCC to act on their behalf in exercising all the Consultant's rights and obligations towards the Client under this Contract, including without limitation the receiving of instructions and payments from the Client.

9. Authorized Representatives

9.1. Any action required or permitted to be taken, and any document required or permitted to be executed under this Contract by the Client or the Consultant may be taken or executed by the officials specified in the SCC.

10. Corrupt and Fraudulent Practices

10.1. The Bank requires compliance with its policy in regard to corrupt and fraudulent practices as set forth in **Attachment 1** to the GCC.

a. Commissions and Fees

10.2. The Client requires the Consultant to disclose any commissions or fees that may have been paid or are to be paid to agents or any other party with respect to the selection process or execution of the Contract. The information disclosed must include at least the name and address of the agent or other party, the amount and currency, and the purpose of the commission, gratuity or fee. Failure to disclose such commissions, gratuities or fees may result in termination of the Contract and/or sanctions by the Bank.

B. COMMENCEMENT, COMPLETION, MODIFICATION AND TERMINATION OF CONTRACT

11. Effectiveness of Contract

11.1. This Contract shall come into force and effect on the date (the "Effective Date") of the Client's notice to the Consultant instructing the Consultant to begin carrying out the Services. This notice shall confirm that the effectiveness conditions, if any, listed in the SCC have been met.

12. Termination of Contract for Failure to Become Effective

12.1. If this Contract has not become effective within such time period after the date of Contract signature as specified in the SCC, either Party may, by not less than twenty two (22) days written notice to the other Party, declare this Contract to be null and void, and in the event of such a declaration by either Party, neither Party shall have any claim against the other Party with respect hereto.

13. Commencement of Services

13.1. The Consultant shall confirm availability of Key Experts and begin carrying out the Services not later than the number of days after the Effective Date specified in the SCC.

- 14. Expiration of Contract** 14.1. Unless terminated earlier pursuant to Clause GCC 19 hereof, this Contract shall expire at the end of such time period after the Effective Date as specified in the SCC.
- 15. Entire Agreement** 15.1. This Contract contains all covenants, stipulations and provisions agreed by the Parties. No agent or representative of either Party has authority to make, and the Parties shall not be bound by or be liable for, any statement, representation, promise or agreement not set forth herein.
- 16. Modifications or Variations** 16.1. Any modification or variation of the terms and conditions of this Contract, including any modification or variation of the scope of the Services, may only be made by written agreement between the Parties. However, each Party shall give due consideration to any proposals for modification or variation made by the other Party.
- 16.2. In cases of substantial modifications or variations, the prior written consent of the Bank is required.
- 17. Force Majeure**
- a. Definition** 17.1. For the purposes of this Contract, "Force Majeure" means an event which is beyond the reasonable control of a Party, is not foreseeable, is unavoidable, and makes a Party's performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible under the circumstances, and subject to those requirements, includes, but is not limited to, war, riots, civil disorder, earthquake, fire, explosion, storm, flood or other adverse weather conditions, strikes, lockouts or other industrial action confiscation or any other action by Government agencies.
- 17.2. Force Majeure shall not include (i) any event which is caused by the negligence or intentional action of a Party or such Party's Experts, Sub-consultants or agents or employees, nor (ii) any event which a diligent Party could reasonably have been expected to both take into account at the time of the conclusion of this Contract, and avoid or overcome in the carrying out of its obligations hereunder.
- 17.3. Force Majeure shall not include insufficiency of funds or failure to make any payment required hereunder.
- b. No Breach of Contract** 17.4. The failure of a Party to fulfill any of its obligations hereunder shall not be considered to be a breach of, or default under, this Contract insofar as such inability arises from an event of Force Majeure, provided that the Party affected by such an event has taken all reasonable precautions, due care and reasonable alternative measures, all with the objective of carrying out the terms and conditions of this Contract.
- c. Measures to be Taken** 17.5. A Party affected by an event of Force Majeure shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall take all reasonable measures to minimize the consequences of any event of Force Majeure.

17.6. A Party affected by an event of Force Majeure shall notify the other Party of such event as soon as possible, and in any case not later than fourteen (14) calendar days following the occurrence of such event, providing evidence of the nature and cause of such event, and shall similarly give written notice of the restoration of normal conditions as soon as possible.

17.7. Any period within which a Party shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.

17.8. During the period of their inability to perform the Services as a result of an event of Force Majeure, the Consultant, upon instructions by the Client, shall either:

- (a) demobilize, in which case the Consultant shall be reimbursed for additional costs they reasonably and necessarily incurred, and, if required by the Client, in reactivating the Services; or
- (b) continue with the Services to the extent reasonably possible, in which case the Consultant shall continue to be paid under the terms of this Contract and be reimbursed for additional costs reasonably and necessarily incurred.

17.9. In the case of disagreement between the Parties as to the existence or extent of Force Majeure, the matter shall be settled according to Clauses GCC 48 & 49.

18. Suspension

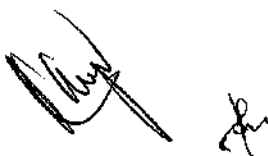

18.1. The Client may, by written notice of suspension to the Consultant, suspend all payments to the Consultant hereunder if the Consultant fails to perform any of its obligations under this Contract, including the carrying out of the Services, provided that such notice of suspension (i) shall specify the nature of the failure, and (ii) shall request the Consultant to remedy such failure within a period not exceeding thirty (30) calendar days after receipt by the Consultant of such notice of suspension.

19. Termination

19.1 This Contract may be terminated by either Party as per provisions set up below:

a. By the Client

19.1.1 The Client may terminate this Contract in case of the occurrence of any of the events specified in paragraphs (a) through (f) of this Clause. In such an occurrence the Client shall give at least thirty (30) calendar days' written notice of termination to the Consultant in case of the events referred to in (a) through (d); at least sixty (60) calendar days' written notice in case of the event referred to in (e); and at least five (5) calendar days' written notice in case of the event referred to in (f);

- (a) If the Consultant fails to remedy a failure in the performance of its obligations hereunder, as specified in a notice of suspension pursuant to Clause GCC 18;
- (b) If the Consultant becomes (or, if the Consultant consists of more than one entity, if any of its members becomes) insolvent or bankrupt or enter into any agreements with their creditors for relief of debt or take advantage of any law for the benefit of debtors or go into liquidation or receivership whether compulsory or voluntary;
- (c) If the Consultant fails to comply with any final decision reached as a result of arbitration proceedings pursuant to Clause GCC 49.1;
- (d) If, as the result of Force Majeure, the Consultant is unable to perform a material portion of the Services for a period of not less than sixty (60) calendar days;
- (e) If the Client, in its sole discretion and for any reason whatsoever, decides to terminate this Contract;
- (f) If the Consultant fails to confirm availability of Key Experts as required in Clause GCC 13.

19.1.2 Furthermore, if the Client determines that the Consultant has engaged in corrupt, fraudulent, collusive, coercive or obstructive practices, in competing for or in executing the Contract, then the Client may, after giving fourteen (14) calendar days written notice to the Consultant, terminate the Consultant's employment under the Contract.

b. By the Consultant

19.1.3 The Consultant may terminate this Contract, by not less than thirty (30) calendar days' written notice to the Client, in case of the occurrence of any of the events specified in paragraphs (a) through (d) of this Clause.

- (a) If the Client fails to pay any money due to the Consultant pursuant to this Contract and not subject to dispute pursuant to Clauses GCC 49.1 within forty-five (45) calendar days after receiving written notice from the Consultant that such payment is overdue.
- (b) If, as the result of Force Majeure, the Consultant is unable to perform a material portion of the Services for a period of not less than sixty (60) calendar days.
- (c) If the Client fails to comply with any final decision reached as a result of arbitration pursuant to Clause GCC 49.1.
- (d) If the Client is in material breach of its obligations pursuant to this Contract and has not remedied the same within forty-five (45) days (or such longer period as the Consultant may have subsequently approved in writing) following the receipt

by the Client of the Consultant's notice specifying such breach.

- c. Cessation of Rights and Obligations**
- 19.1.4 Upon termination of this Contract pursuant to Clauses GCC 12 or GCC 19 hereof, or upon expiration of this Contract pursuant to Clause GCC 14, all rights and obligations of the Parties hereunder shall cease, except (i) such rights and obligations as may have accrued on the date of termination or expiration, (ii) the obligation of confidentiality set forth in Clause GCC 22, (iii) the Consultant's obligation to permit inspection, copying and auditing of their accounts and records set forth in Clause GCC 25, and (iv) any right which a Party may have under the Applicable Law.
- d. Cessation of Services**
- 19.1.5 Upon termination of this Contract by notice of either Party to the other pursuant to Clauses GCC 19a or GCC 19b, the Consultant shall, immediately upon dispatch or receipt of such notice, take all necessary steps to bring the Services to a close in a prompt and orderly manner and shall make every reasonable effort to keep expenditures for this purpose to a minimum. With respect to documents prepared by the Consultant and equipment and materials furnished by the Client, the Consultant shall proceed as provided, respectively, by Clauses GCC 27 or GCC 28.
- e. Payment upon Termination**
- 19.1.6 Upon termination of this Contract, the Client shall make the following payments to the Consultant:
- (a) remuneration for Services satisfactorily performed prior to the effective date of termination, and reimbursable expenditures for expenditures actually incurred prior to the effective date of termination; and pursuant to Clause 42;
 - (b) in the case of termination pursuant to paragraphs (d) and (e) of Clause GCC 19.1.1, reimbursement of any reasonable cost incidental to the prompt and orderly termination of this Contract, including the cost of the return travel of the Experts.

C. OBLIGATIONS OF THE CONSULTANT

20. General

- a. Standard of Performance**
- 20.1 The Consultant shall perform the Services and carry out the Services with all due diligence, efficiency and economy, in accordance with generally accepted professional standards and practices, and shall observe sound management practices, and employ appropriate technology and safe and effective equipment, machinery, materials and methods. The Consultant shall always act, in respect of any matter relating to this Contract or to the Services, as a faithful adviser to the Client, and shall at all times support and safeguard the Client's legitimate interests in any dealings with the third parties.

20.2 The Consultant shall employ and provide such qualified and experienced Experts and Sub-consultants as are required to carry out the Services.

20.3 The Consultant may subcontract part of the Services to an extent and with such Key Experts and Sub-consultants as may be approved in advance by the Client. Notwithstanding such approval, the Consultant shall retain full responsibility for the Services.

b. Law Applicable to Services

20.4 The Consultant shall perform the Services in accordance with the Contract and the Applicable Law and shall take all practicable steps to ensure that any of its Experts and Sub-consultants, comply with the Applicable Law.

20.5 Throughout the execution of the Contract, the Consultant shall comply with the import of goods and services prohibitions in the Client's country when

- (a) as a matter of law or official regulations, the Borrower's country prohibits commercial relations with that country; or
- (b) by an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, the Borrower's Country prohibits any import of goods from that country or any payments to any country, person, or entity in that country.

20.6 The Client shall notify the Consultant in writing of relevant local customs, and the Consultant shall, after such notification, respect such customs.

21. Conflict of Interests

21.1 The Consultant shall hold the Client's interests paramount, without any consideration for future work, and strictly avoid conflict with other assignments or their own corporate interests.

a. Consultant Not to Benefit from Commissions, Discounts, etc.

21.1.1 The payment of the Consultant pursuant to GCC F (Clauses GCC 41 through 46) shall constitute the Consultant's only payment in connection with this Contract and, subject to Clause GCC 21.1.3, the Consultant shall not accept for its own benefit any trade commission, discount or similar payment in connection with activities pursuant to this Contract or in the discharge of its obligations hereunder, and the Consultant shall use its best efforts to ensure that any Sub-consultants, as well as the Experts and agents of either of them, similarly shall not receive any such additional payment.

21.1.2 Furthermore, if the Consultant, as part of the Services, has the responsibility of advising the Client on the procurement of goods, works or services, the Consultant shall comply with the Bank's Applicable Guidelines, and shall at all times exercise such responsibility in the best interest of the Client. Any discounts or commissions obtained by the Consultant in the exercise of such procurement responsibility shall be for the account of the Client.

- b. Consultant and Affiliates Not to Engage in Certain Activities** 21.1.3 The Consultant agrees that, during the term of this Contract and after its termination, the Consultant and any entity affiliated with the Consultant, as well as any Sub-consultants and any entity affiliated with such Sub-consultants, shall be disqualified from providing goods, works or non-consulting services resulting from or directly related to the Consultant's Services for the preparation or implementation of the project, unless otherwise indicated in the SCC.
- c. Prohibition of Conflicting Activities** 21.1.4 The Consultant shall not engage, and shall cause its Experts as well as its Sub-consultants not to engage, either directly or indirectly, in any business or professional activities that would conflict with the activities assigned to them under this Contract.
- d. Strict Duty to Disclose Conflicting Activities** 21.1.5 The Consultant has an obligation and shall ensure that its Experts and Sub-consultants shall have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interest of their Client, or that may reasonably be perceived as having this effect. Failure to disclose said situations may lead to the disqualification of the Consultant or the termination of its Contract.
- 22. Confidentiality** 22.1 Except with the prior written consent of the Client, the Consultant and the Experts shall not at any time communicate to any person or entity any confidential information acquired in the course of the Services, nor shall the Consultant and the Experts make public the recommendations formulated in the course of, or as a result of, the Services.
- 23. Liability of the Consultant** 23.1 Subject to additional provisions, if any, set forth in the SCC, the Consultant's liability under this Contract shall be as determined under the Applicable Law.
- 24. Insurance to be Taken out by the Consultant** 24.1 The Consultant (i) shall take out and maintain, and shall cause any Sub-consultants to take out and maintain, at its (or the Sub-consultants', as the case may be) own cost but on terms and conditions approved by the Client, insurance against the risks, and for the coverage specified in the SCC, and (ii) at the Client's request, shall provide evidence to the Client showing that such insurance has been taken out and maintained and that the current premiums therefore have been paid. The Consultant shall ensure that such insurance is in place prior to commencing the Services as stated in Clause GCC 13.
- 25. Accounting, Inspection and Auditing** 25.1 The Consultant shall keep, and shall make all reasonable efforts to cause its Sub-consultants to keep, accurate and systematic accounts and records in respect of the Services in such form and detail as will clearly identify relevant time changes and costs.
- 25.2 The Consultant shall permit and shall cause its Sub-consultants to permit, the Bank and/or persons appointed by the Bank to inspect the Site and/or all accounts and records relating to the performance of the Contract and the submission of the Proposal to provide the Services,

and to have such accounts and records audited by auditors appointed by the Bank if requested by the Bank. The Consultant's attention is drawn to Clause GCC 10 which provides, inter alia, that acts intended to materially impede the exercise of the Bank's inspection and audit rights provided for under this Clause GCC25.2 constitute a prohibited practice subject to contract termination (as well as to a determination of ineligibility under the Bank's prevailing sanctions procedures.)

26. Reporting Obligations

26.1 The Consultant shall submit to the Client the reports and documents specified in **Appendix A**, in the form, in the numbers and within the time periods set forth in the said Appendix.

27. Proprietary Rights of the Client in Reports and Records

27.1 Unless otherwise indicated in the **SCC**, all reports and relevant data and information such as maps, diagrams, plans, databases, other documents and software, supporting records or material compiled or prepared by the Consultant for the Client in the course of the Services shall be confidential and become and remain the absolute property of the Client. The Consultant shall, not later than upon termination or expiration of this Contract, deliver all such documents to the Client, together with a detailed inventory thereof. The Consultant may retain a copy of such documents, data and/or software but shall not use the same for purposes unrelated to this Contract without prior written approval of the Client.

27.2 If license agreements are necessary or appropriate between the Consultant and third parties for purposes of development of the plans, drawings, specifications, designs, databases, other documents and software, the Consultant shall obtain the Client's prior written approval to such agreements, and the Client shall be entitled at its discretion to require recovering the expenses related to the development of the program(s) concerned. Other restrictions about the future use of these documents and software, if any, shall be specified in the **SCC**.

28. Equipment, Vehicles and Materials

28.1 Equipment, vehicles and materials made available to the Consultant by the Client, or purchased by the Consultant wholly or partly with funds provided by the Client, shall be the property of the Client and shall be marked accordingly. Upon termination or expiration of this Contract, the Consultant shall make available to the Client an inventory of such equipment, vehicles and materials and shall dispose of such equipment, vehicles and materials in accordance with the Client's instructions. While in possession of such equipment, vehicles and materials, the Consultant, unless otherwise instructed by the Client in writing, shall insure them at the expense of the Client in an amount equal to their full replacement value.

28.2 Any equipment or materials brought by the Consultant or its Experts into the Client's country for the use either for the project or personal use shall remain the property of the Consultant or the Experts concerned, as applicable.

D. CONSULTANT'S EXPERTS AND SUB-CONSULTANTS**29. Description of Key Experts**

29.1 The title, agreed job description, minimum qualification and time-input estimates to carry out the Services of each of the Consultant's Key Experts are described in **Appendix B**.

29.2 If required to comply with the provisions of Clause GCC 20a, adjustments with respect to the estimated time-input of Key Experts set forth in **Appendix B** may be made by the Consultant by a written notice to the Client, provided (i) that such adjustments shall not alter the original time-input estimates for any individual by more than 10% or one week, whichever is larger; and (ii) that the aggregate of such adjustments shall not cause payments under this Contract to exceed the ceilings set forth in Clause GCC 41.2.

29.3 If additional work is required beyond the scope of the Services specified in **Appendix A**, the estimated time-input for the Key Experts may be increased by agreement in writing between the Client and the Consultant. In case where payments under this Contract exceed the ceilings set forth in Clause GCC 41.1, the Parties shall sign a Contract amendment.

30. Replacement of Key Experts

30.1 Except as the Client may otherwise agree in writing, no changes shall be made in the Key Experts.

30.2 Notwithstanding the above, the substitution of Key Experts during Contract execution may be considered only based on the Consultant's written request and due to circumstances outside the reasonable control of the Consultant, including but not limited to death or medical incapacity. In such case, the Consultant shall forthwith provide as a replacement, a person of equivalent or better qualifications and experience, and at the same rate of remuneration.

31. Approval of Additional Key Experts

31.1 If during execution of the Contract, additional Key Experts are required to carry out the Services, the Consultant shall submit to the Client for review and approval a copy of their Curricula Vitae (CVs). If the Client does not object in writing (stating the reasons for the objection) within twenty two (22) days from the date of receipt of such CVs, such additional Key Experts shall be deemed to have been approved by the Client.

The rate of remuneration payable to such new additional Key Experts shall be based on the rates for other Key Experts position which require similar qualifications and experience.

32. Removal of Experts or Sub-consultants

32.1 If the Client finds that any of the Experts or Sub-consultant has committed serious misconduct or has been charged with having committed a criminal action, or shall the Client determine that Consultant's Expert or Sub-consultant have engaged in corrupt, fraudulent, collusive, coercive or obstructive practice while performing the Services, the Consultant shall, at the Client's written request, provide a replacement.

32.2 In the event that any of Key Experts, Non-Key Experts or Sub-consultants is found by the Client to be incompetent or incapable in discharging assigned duties, the Client, specifying the grounds therefore, may request the Consultant to provide a replacement.

32.3 Any replacement of the removed Experts or Sub-consultants shall possess better qualifications and experience and shall be acceptable to the Client.

**33. Replacement/
Removal of
Experts – Impact
on Payments**

33.1 Except as the Client may otherwise agree, (i) the Consultant shall bear all additional travel and other costs arising out of or incidental to any removal and/or replacement, and (ii) the remuneration to be paid for any of the Experts provided as a replacement shall not exceed the remuneration which would have been payable to the Experts replaced or removed.

**34. Working Hours,
Overtime, Leave,
etc.**

34.1 Working hours and holidays for Experts are set forth in **Appendix B**. To account for travel time to/from the Client's country, experts carrying out Services inside the Client's country shall be deemed to have commenced or finished work in respect of the Services such number of days before their arrival in, or after their departure from, the Client's country as is specified in **Appendix B**.

34.2 The Experts shall not be entitled to be paid for overtime nor to take paid sick leave or vacation leave except as specified in **Appendix B**, and the Consultant's remuneration shall be deemed to cover these items.

34.3 Any taking of leave by Key Experts shall be subject to the prior approval by the Consultant who shall ensure that absence for leave purposes will not delay the progress and or impact adequate supervision of the Services.

E. OBLIGATIONS OF THE CLIENT

**35. Assistance and
Exemptions**

35.1 Unless otherwise specified in the **SCC**, the Client shall use its best efforts to:

- (a) Assist the Consultant with obtaining work permits and such other documents as shall be necessary to enable the Consultant to perform the Services.
- (b) Assist the Consultant with promptly obtaining, for the Experts and, if appropriate, their eligible dependents, all necessary entry and exit visas, residence permits, exchange permits and any other documents required for their stay in the Client's country while carrying out the Services under the Contract.
- (c) Facilitate prompt clearance through customs of any property required for the Services and of the personal effects of the Experts and their eligible dependents.

- (c) Issue to officials, agents and representatives of the Government all such instructions and information as may be necessary or appropriate for the prompt and effective implementation of the Services.
- (d) Assist the Consultant and the Experts and any Sub-consultants employed by the Consultant for the Services with obtaining exemption from any requirement to register or obtain any permit to practice their profession or to establish themselves either individually or as a corporate entity in the Client's country according to the applicable law in the Client's country.
- (e) Assist the Consultant, any Sub-consultants and the Experts of either of them with obtaining the privilege, pursuant to the applicable law in the Client's country, of bringing into the Client's country reasonable amounts of foreign currency for the purposes of the Services or for the personal use of the Experts and of withdrawing any such amounts as may be earned therein by the Experts in the execution of the Services.
- (f) Provide to the Consultant any such other assistance as may be specified in the **SCC**.

36. Access to Project Site

36.1 The Client warrants that the Consultant shall have, free of charge, unimpeded access to the project site in respect of which access is required for the performance of the Services. The Client will be responsible for any damage to the project site or any property thereon resulting from such access and will indemnify the Consultant and each of the experts in respect of liability for any such damage, unless such damage is caused by the willful default or negligence of the Consultant or any Sub-consultants or the Experts of either of them.

37. Change in the Applicable Law Related to Taxes and Duties

37.1 If, after the date of this Contract, there is any change in the applicable law in the Client's country with respect to taxes and duties which increases or decreases the cost incurred by the Consultant in performing the Services, then the remuneration and reimbursable expenses otherwise payable to the Consultant under this Contract shall be increased or decreased accordingly by agreement between the Parties hereto, and corresponding adjustments shall be made to the ceiling amounts specified in Clause GCC 41.1.

38. Services, Facilities and Property of the Client

38.1 The Client shall make available to the Consultant and the Experts, for the purposes of the Services and free of any charge, the services, facilities and property described in the Terms of Reference (**Appendix A**) at the times and in the manner specified in said **Appendix A**.

38.2 In case that such services, facilities and property shall not be made available to the Consultant as and when specified in **Appendix A**, the Parties shall agree on (i) any time extension that it may be appropriate to grant to the Consultant for the performance of the Services, (ii) the manner in which the Consultant shall procure any such services, facilities and property from other sources, and (iii) the

additional payments, if any, to be made to the Consultant as a result thereof pursuant to Clause GCC 41.3.

**39. Counterpart
Personnel**

39.1 The Client shall make available to the Consultant free of charge such professional and support counterpart personnel, to be nominated by the Client with the Consultant's advice, if specified in **Appendix A**.

39.2 If counterpart personnel are not provided by the Client to the Consultant as and when specified in **Appendix A**, the Client and the Consultant shall agree on (i) how the affected part of the Services shall be carried out, and (ii) the additional payments, if any, to be made by the Client to the Consultant as a result thereof pursuant to Clause GCC 41.3.

39.3 Professional and support counterpart personnel, excluding Client's liaison personnel, shall work under the exclusive direction of the Consultant. If any member of the counterpart personnel fails to perform adequately any work assigned to such member by the Consultant that is consistent with the position occupied by such member, the Consultant may request the replacement of such member, and the Client shall not unreasonably refuse to act upon such request.

**40. Payment
Obligation**

40.1 In consideration of the Services performed by the Consultant under this Contract, the Client shall make such payments to the Consultant and in such manner as is provided by GCC F below.

F. PAYMENTS TO THE CONSULTANT

41. Ceiling Amount

41.1 An estimate of the cost of the Services is set forth in **Appendix C**(Remuneration) and **Appendix D**(Reimbursable expenses).

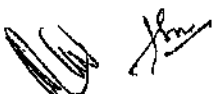

41.2 Payments under this Contract shall not exceed the ceilings in foreign currency and in local currency specified in the **SCC**.

41.3 For any payments in excess of the ceilings specified in GCC41.2, an amendment to the Contract shall be signed by the Parties referring to the provision of this Contract that evokes such amendment.

**42. Remuneration
and
Reimbursable
Expenses**

42.1 The Client shall pay to the Consultant (i) remuneration that shall be determined on the basis of time actually spent by each Expert in the performance of the Services after the date of commencing of Services or such other date as the Parties shall agree in writing; and (ii) reimbursable expenses that are actually and reasonably incurred by the Consultant in the performance of the Services.

42.2 All payments shall be at the rates set forth in **Appendix C** and **Appendix D**.

42.3 Unless the **SCC** provides for the price adjustment of the remuneration rates, said remuneration shall be fixed for the duration of the Contract.

42.4 The remuneration rates shall cover: (i) such salaries and allowances as the Consultant shall have agreed to pay to the Experts as well as factors for social charges and overheads (bonuses or other means of profit-sharing shall not be allowed as an element of overheads), (ii) the cost of backstopping by home office staff not included in the Experts' list in **Appendix B**, (iii) the Consultant's profit, and (iv) any other items as specified in the **SCC**.

42.5 Any rates specified for Experts not yet appointed shall be provisional and shall be subject to revision, with the written approval of the Client, once the applicable remuneration rates and allowances are known.

43. Taxes and Duties

43.1 The Consultant, Sub-consultants and Experts are responsible for meeting any and all tax liabilities arising out of the Contract unless it is stated otherwise in the **SCC**.

43.2 As an exception to the above and as stated in the **SCC**, all local identifiable indirect taxes (itemized and finalized at Contract negotiations) are reimbursed to the Consultant or are paid by the Client on behalf of the Consultant.

44. Currency of Payment

44.1 Any payment under this Contract shall be made in the currency(ies) specified in the **SCC**.

45. Mode of Billing and Payment

45.1 Billings and payments in respect of the Services shall be made as follows:

- (a) Advance payment. Within the number of days after the Effective Date, the Client shall pay to the Consultant an advance payment as specified in the **SCC**. Unless otherwise indicated in the **SCC**, an advance payment shall be made against an advance payment bank guarantee acceptable to the Client in an amount (or amounts) and in a currency (or currencies) specified in the **SCC**. Such guarantee (i) is to remain effective until the advance payment has been fully set off, and (ii) is to be in the form set forth in **Appendix E**, or in such other form as the Client shall have approved in writing. The advance payments will be set off by the Client in equal installments against the statements for the number of months of the Services specified in the **SCC** until said advance payments have been fully set off.
- (b) The Itemized Invoices. As soon as practicable and not later than fifteen (15) days after the end of each calendar month during the period of the Services, or after the end of each time interval otherwise indicated in the **SCC**, the Consultant shall submit to the Client, in duplicate, itemized invoices, accompanied by the receipts or other appropriate supporting documents, of the amounts payable pursuant to Clauses GCC 44 and GCC 45 for

such interval, or any other period indicated in the **SCC**. Separate invoices shall be submitted for expenses incurred in foreign currency and in local currency. Each invoice shall show remuneration and reimbursable expenses separately.

- (c) The Client shall pay the Consultant's invoices within sixty (60) days after the receipt by the Client of such itemized invoices with supporting documents. Only such portion of an invoice that is not satisfactorily supported may be withheld from payment. Should any discrepancy be found to exist between actual payment and costs authorized to be incurred by the Consultant, the Client may add or subtract the difference from any subsequent payments.
- (d) The Final Payment .The final payment under this Clause shall be made only after the final report and a final invoice, identified as such, shall have been submitted by the Consultant and approved as satisfactory by the Client. The Services shall be deemed completed and finally accepted by the Client and the final report and final invoice shall be deemed approved by the Client as satisfactory ninety (90) calendar days after receipt of the final report and final invoice by the Client unless the Client, within such ninety (90) calendar day period, gives written notice to the Consultant specifying in detail deficiencies in the Services, the final report or final invoice. The Consultant shall thereupon promptly make any necessary corrections, and thereafter the foregoing process shall be repeated. Any amount that the Client has paid or has caused to be paid in accordance with this Clause in excess of the amounts payable in accordance with the provisions of this Contract shall be reimbursed by the Consultant to the Client within thirty (30) days after receipt by the Consultant of notice thereof. Any such claim by the Client for reimbursement must be made within twelve (12) calendar months after receipt by the Client of a final report and a final invoice approved by the Client in accordance with the above.
- (e) All payments under this Contract shall be made to the accounts of the Consultant specified in the **SCC**.
- (f) With the exception of the final payment under (d) above, payments do not constitute acceptance of the Services nor relieve the Consultant of any obligations hereunder.

**46. Interest on
Delayed
Payments**

46.1 If the Client had delayed payments beyond fifteen (15) days after the due date stated in Clause GCC 45.1 (c), interest shall be paid to the Consultant on any amount due by, not paid on, such due date for each day of delay at the annual rate stated in the **SCC**.

G. FAIRNESS AND GOOD FAITH

47. Good Faith

47.1 The Parties undertake to act in good faith with respect to each other's rights under this Contract and to adopt all reasonable measures to ensure the realization of the objectives of this Contract.

H. SETTLEMENT OF DISPUTES

48. Amicable Settlement

48.1 The Parties shall seek to resolve any dispute amicably by mutual consultation.

48.2 If either Party objects to any action or inaction of the other Party, the objecting Party may file a written Notice of Dispute to the other Party providing in detail the basis of the dispute. The Party receiving the Notice of Dispute will consider it and respond in writing within fourteen (14) days after receipt. If that Party fails to respond within fourteen (14) days, or the dispute cannot be amicably settled within fourteen (14) days following the response of that Party, Clause GCC 49.1 shall apply.

49. Dispute Resolution

49.1 Any dispute between the Parties arising under or related to this Contract that cannot be settled amicably may be referred to by either Party to the adjudication/arbitration in accordance with the provisions specified in the SCC.

II. General Conditions**Attachment 1: Bank's Policy – Corrupt and Fraudulent Practices****Guidelines for Selection and Employment of Consultants under IBRD Loans and IDA Credits & Grants by World Bank Borrowers, dated January 2011:****"Fraud and Corruption**

1.23 It is the Bank's policy to require that Borrowers (including beneficiaries of Bank loans), consultants, and their agents (whether declared or not), sub-contractors, sub-consultants, service providers, or suppliers, and any personnel thereof, observe the highest standard of ethics during the selection and execution of Bank-financed contracts [footnote: In this context, any action taken by a consultant or any of its personnel, or its agents, or its sub-consultants, sub-contractors, services providers, suppliers, and/or their employees, to influence the selection process or contract execution for undue advantage is improper.]. In pursuance of this policy, the Bank:

(a) defines, for the purposes of this provision, the terms set forth below as follows:

- (i) "corrupt practice" is the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party¹;
- (ii) "fraudulent practice" is any act or omission, including misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain financial or other benefit or to avoid an obligation²;
- (iii) "collusive practices" is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party³;
- (iv) "coercive practices" is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party⁴;
- (v) "obstructive practice" is
 - (aa) deliberately destroying, falsifying, altering, or concealing of evidence material to the investigation or making false statements to investigators in order to materially

¹ For the purpose of this sub-paragraph, "another party" refers to a public official acting in relation to the selection process or contract execution. In this context "public official" includes World Bank staff and employees of other organizations taking or reviewing selection decisions.

² For the purpose of this sub-paragraph, "party" refers to a public official; the terms "benefit" and "obligation" relate to the selection process or contract execution; and the "act or omission" is intended to influence the selection process or contract execution.

³ For the purpose of this sub-paragraph, "parties" refers to participants in the procurement or selection process (including public officials) attempting either themselves, or through another person or entity not participating in the procurement or selection process, to simulate competition or to establish prices at artificial, non-competitive levels, or are privy to each other's bid prices or other conditions.

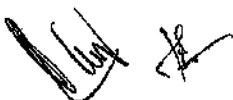

⁴ For the purpose of this sub-paragraph, "party" refers to a participant in the selection process or contract execution.

impede a Bank investigation into allegations of a corrupt, fraudulent, coercive, or collusive practice; and/or threatening, harassing, or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation, or

- (bb) acts intended to materially impede the exercise of the Bank's inspection and audit rights;
- (b) will reject a proposal for award if it determines that the consultant recommended for award or any of its personnel, or its agents, or its sub-consultants, sub-contractors, services providers, suppliers, and/or their employees, has, directly or indirectly, engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices in competing for the contract in question;
- (c) will declare misprocurement and cancel the portion of the Loan allocated to a contract if it determines at any time that representatives of the Borrower or of a recipient of any part of the proceeds of the Loan were engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices during the selection process or the implementation of the contract in question, without the Borrower having taken timely and appropriate action satisfactory to the Bank to address such practices when they occur, including by failing to inform the Bank in a timely manner they knew of the practices;
- (d) will sanction a firm or an individual at any time, in accordance with prevailing Bank's sanctions procedures⁵, including by publicly declaring such firm or an ineligible, either indefinitely or for a stated period of time: (i) to be awarded a Bank-financed contract, and (ii) to be a nominated⁶ sub-consultant, supplier, or service provider of an otherwise eligible firm being awarded a Bank-financed contract.

⁵ A firm or an individual may be declared ineligible to be awarded a Bank-financed contract upon (i) completion of the Bank's sanctions proceedings as per its sanctions procedures, including inter alia: cross-debarment as agreed with other International Financial Institutions, including Multilateral Development Banks, and through the application of the World Bank Group corporate administrative procurement sanctions procedures for fraud and corruption; and (ii) as a result of temporary suspension or early temporary suspension in connection with an ongoing sanctions proceedings. See footnote 12 and paragraph 8 of Appendix 1 of these Guidelines.

⁶ A nominated sub-consultant, supplier, or service provider is one which has been either (i) included by the consultant in its proposal because it brings specific and critical experience and know-how that are accounted for in the technical evaluation of the consultant's proposal for the particular services; or (ii) appointed by the Borrower.

46.1	<p>The interest rate is: For local currency : 4% per annum</p>
49.	<p>Disputes shall be settled by arbitration in accordance with the following provisions:</p> <ol style="list-style-type: none"> 1. Selection of Arbitrators. Each dispute submitted by a Party to arbitration shall be heard by a sole arbitrator or an arbitration panel composed of three (3) arbitrators, in accordance with the following provisions: <ol style="list-style-type: none"> (a) Where the Parties agree that the dispute concerns a technical matter, they may agree to appoint a sole arbitrator or, failing agreement on the identity of such sole arbitrator within thirty (30) days after receipt by the other Party of the proposal of a name for such an appointment by the Party who initiated the proceedings, either Party may apply to Indian Council of Arbitration, India for a list of not fewer than five (5) nominees and, on receipt of such list, the Parties shall alternately strike names there from, and the last remaining nominee on the list shall be the sole arbitrator for the matter in dispute. If the last remaining nominee has not been determined in this manner within sixty (60) days of the date of the list, Indian Council of Arbitration, India shall appoint, upon the request of either Party and from such list or otherwise, a sole arbitrator for the matter in dispute. (b) Where the Parties do not agree that the dispute concerns a technical matter, the Client and the Consultant shall each appoint one (1) arbitrator, and these two arbitrators shall jointly appoint a third arbitrator, who shall chair the arbitration panel. If the arbitrators named by the Parties do not succeed in appointing a third arbitrator within thirty (30)

	<p>days after the latter of the two (2) arbitrators named by the Parties has been appointed, the third arbitrator shall, at the request of either Party, be appointed by the Indian Council of Arbitrators, India.</p> <p>(c) If, in a dispute subject to paragraph (b) above, one Party fails to appoint its arbitrator within thirty (30) days after the other Party has appointed its arbitrator, the Party which has named an arbitrator may apply to the Indian Council of Arbitrators, India to appoint a sole arbitrator for the matter in dispute, and the arbitrator appointed pursuant to such application shall be the sole arbitrator for that dispute.</p>
	<p>2. <u>Rules of Procedure.</u> Except as otherwise stated herein, arbitration proceedings shall be conducted in accordance with the Arbitration and Conciliation Act, 1996 of India, unless the Consultant is a foreign national/firm, in which case arbitration proceedings shall be conducted in accordance with the rules of procedure for arbitration of the United Nations Commission on International Trade Law (UNCITRAL) as in force on the date of this Contract.</p> <p>3. <u>Substitute Arbitrators.</u> If for any reason an arbitrator is unable to perform his/her function, a substitute shall be appointed in the same manner as the original arbitrator.</p> <p>4. <u>Nationality and Qualifications of Arbitrators.</u> The sole arbitrator or the third arbitrator appointed pursuant to paragraphs 1(a) through 1(c) above shall be an internationally recognized legal or technical expert with extensive experience in relation to the matter in dispute and shall not be a national of the Consultant's home country or of the Government's country. For the purposes of this Clause, "home country" means any of:</p> <p>(a) the country of incorporation of the Consultant; or</p> <p>(b) the country in which the Consultant's principal place of business is located; or</p> <p>(c) the country of nationality of a majority of the Consultant's shareholders; or</p> <p>(d) the country of nationality of the Sub-consultants concerned, where the dispute involves a subcontract.</p>
	<p>5. <u>Miscellaneous.</u> In any arbitration proceeding hereunder:</p> <p>(a) proceedings shall, unless otherwise agreed by the Parties, be held in New Delhi</p> <p>(b) the English language shall be the official language for all purposes; and</p>

	<p>(c) the decision of the sole arbitrator or of a majority of the arbitrators (or of the third arbitrator if there is no such majority) shall be final and binding and shall be enforceable in any court of competent jurisdiction, and the Parties hereby waive any objections to or claims of immunity in respect of such enforcement.</p>

IV. Appendices

APPENDIX A – TERMS OF REFERENCE

The Project Management Consultancy (PMC) for STRIVE will initially be chosen for a period of 3 years. The ministry may however, extend the contract for a subsequent period of 2 years on the same terms and conditions, based on satisfactory performance of the PMC.

The assignment will be divided in 2 phases, namely – 1. Design 2. Implementation. The design phase is estimated to last for about 03 months and the implementation phase for 3 years duration including design phase. Both phases will start concurrently. Consultants to be deployed by the firm, in the design phase will be in addition to the consultants deployed in the implementation phase. Phase wise scope of work may include, but is not limited to:

Phase 1: ITIs/ ICs Shortlisting and Selection, Interventions design and Implementation Roadmap

Phase 1 entails design and development of the project and would further consist of two sub-components; the first component would include shortlisting, selection and mobilization of ITIs and Industry Clusters. The second would include creation of intervention modules and implementation roadmap (covering all relevant stakeholders, including NPIU) across the Result areas of STRIVE.

Phase 1(a): Shortlisting and selection of ITIs, selection of industry clusters, formalization of engagement modalities, and on boarding

The overall objective of this phase is to facilitate selection, mobilization and on-boarding of (a) 500 ITIs (including Govt. and Private) through a competitive selection process, while ensuring adherence to guidelines and (b) 100 IA clusters through a defined selection criteria.

This phase will include all activities relating to ITI/ IC shortlisting, selection, and mobilization framework design and support. These activities may include, but not be limited to:

- Defining minimum eligibility criteria for ITIs participating in the program. This may include (but may not be limited to) grading score, scale, physical infrastructure, range/type of courses offered, instructor vacancy rate, degree of industry engagement, current outcomes (graduation and placement rates)
- Defining a framework for final selection of eligible ITIs on the basis of (but not limited to) Institute Strategic plans (ISPs) created by eligible and interested ITIs. The criteria to evaluate ISPs of participating ITIs can include (but not limited to) initiatives planned for
 - Deepening industry linkages
 - Developing training supply in line with market needs and NCVT requirements
 - Improving quality of management and facilities
 - Improving employment and placement rates
 - Promoting inclusion
 - Creating capacity and capability of teaching staff
 - Improving income generating activities
- Facilitating the process of selection of ITIs
- Creating a framework for selection of ICs.
- Facilitating the selection of ICs and capacity building of ICs to set up IAs.
- Defining a methodology to determine exact quantum of financial support to be provided to selected ITIs, States and ICs through PBGs, clearly linked to outcomes.
- Creating an overarching framework for all potential PBG Agreements (PBGAs) (i.e. - between Centre and States, States and ITIs; Centre and CFIs, Centre, State and ICs).

- Facilitating signing of PBGAs
- On-boarding selected ITIs, States and ICs through necessary channels (collaterals, workshops, meetings, etc.).
 - Creating understanding about STRIVE's overall objectives and scope, among select stakeholders including: ITIs, ICs, States, CFIs, etc.
 - Creating understanding about the process of fund disbursement as per the Performance Grant instrument, among select stakeholders including: ITIs, ICs, States, CFIs, etc.

Phase 1(b): Intervention modules and Implementation roadmap design

The overall objective of this phase is to assist the selected States, ITIs and ICs in designing specific intervention modules with the aim to achieve the desired outcomes in the four result areas envisaged under STRIVE.

- **Result Area 1: Improved performance of ITIs** – In this phase, the consultant should create intervention modules that can further help selected ITIs build on their ISP and achieve desired outcomes. These intervention modules may be centred around (but may not be limited to) the following areas:
 - Deepening relations with industry
 - Introducing new courses (long term or short term)
 - Mobilizing previously under represented and vulnerable groups, specially ST youth and females by introducing tailored services and courses
 - Strengthening pedagogical approaches for soft skills development
 - Strengthening employment promotion activities for graduating students (job fairs, application training, entrepreneurship training and support, etc.)
 - Improving income generating activities for enhanced sustainability
 - Improving facilities and management
- **Result area 2: Increased capacity of State Governments to support ITIs and apprenticeship** – Design of initiatives for States should focus on activities that can create the right regulatory environment for ITIs to operate; and promote apprenticeship. Detailed modules may be created across the following areas (indicative list):
 - Developing centralized admission process for ITIs
 - Establishing equivalence of ITI certificate with State Board Certificate
 - Reforms to encourage dual training
 - Recruitment norms and career progression policy for ITI trainers
 - Examination reforms
 - Constitution of IMCs (Industry Management Committees)
 - Establishment of State Apprenticeship Cell
- **Result area 3: Improve and broaden Apprenticeship training. Develop intervention modules designed for IAI clusters to function effectively** – Activities relating to this focus are may include:
 - Setting up new or revising existing apprenticeship training programs in line with the specific needs of the participating firms (including development of curricula, enterprise training plans and TL material, assessment mechanism)
 - Capacity development (including infrastructure) of basic training providers (either apprenticeship training schools run by ICs, ITIs, or third-party basic training providers)
 - Initiatives to establish and raise the standards of quality assurance of apprenticeship training with the participation of industry experts
 - Training of trainers (e.g., company supervisors of apprentices and trainers in basic training institutions) and other stakeholders

- **Result area 4: Improved teaching and learning.** These may include intervention modules around:
 - a. Improving teaching and learning**
 - Establishment of curriculum development cells in ATIs/ CFIs
 - Capacity building modules for NIMI staff for development of multimedia content
 - Development and introduction of Online Distance Learning Programs (ODLPs) for instructor training
 - Creating a Professional Development system for ITI trainers
 - Designing and implementing IT and technology based solutions to improve quality of teaching and learning
 - Upgrade selected central training institutes to Multi-Purpose Resource Centres
 - Increase industry involvement (strengthening IMCs; setting up a Board of Governors to drive transformation)
 - Revamp existing curriculum and content wherever needed, with an explicit view to ensure better alignment with industry needs and NSQF
 - Define a plan to ensure improved quality and scale up of short term skilling programs run by CTIs
 - b. Reforms to overhaul examination system**
 - Designing outcome based methods of assessment
 - Improving transparency and fairness of the examination process
 - Launching multi lingual questions
 - Overhauling process of examiner selection and appointment

Phase 2: Initiative detailing, implementation and monitoring

The overall objective of this phase is to detail out the initiatives as identified in intervention modules created in Phase-1 b, and put in place a stringent monitoring mechanism to ensure tracking of these initiatives as they get implemented on ground. Key activities in this phase may include:

Detailing of initiatives identified in Phase-1 b

- Exact approach for implementation
- Detailed roll out plan
- Assessment of capability gaps (process, technology, organization, etc) for initiative implementation
- Determine resource requirements (financial, managerial, etc)
- Identify need for third party providers

Assist NPIU in project implementation thru:

- a. Technical and Strategy Development**
 - Support the continuous improvement of the overall strategy for STRIVE.
 - Continuously assess the target population and design best strategies to improve apprenticeship training; labour market relevance of ITIs, provide strategic insights to improve efficiency of instructor training so that the program delivery can be aligned to the result areas.
 - Provide support in designing and implementation of Grant Agreements with Industry Apprenticeship Initiatives (IAIs)
 - Support Capacity Development for Apprenticeship training at national, state and IA/ Cluster level.
 - Co-ordinate the performance based grant funding mechanism with states and ITIs

- Support state level capacity building and reform activities by creating model policy with regards to examinations and assessments, instructor recruitment and progression, instructor career progression
- Assist in undertaking quality assurance programs such as grading of ITIs
- Assist in creation of teaching and learning material
- Co-ordinate with National Instruction Media Institute, CSTARI and other CFIs in development of new training and learning materials for CTS and instructor training programs, including for distance education modules
- Support establishment of distance education program
- Continuously improve project appraisal, project monitoring policies and risk management strategies.
- Help in strategic development of the participating institutions
- Support institutional capacity assessment of DTEs and their workload to understand and augment the required capacity for implementing the project
- Support a Training Needs Assessment (TNA) exercise to identify training needs, development of a change management strategy, as well as staff recruitment at all levels
- Support the process of designing and conduct of tracer studies at National and State levels
- Support further development of NCVT MIS
- Interact with the stakeholders such as line department and ministries, Small and Medium Enterprises (SMEs), apprenticeship clusters, ITIs, ITI clusters, instructor training institutes, National Skill Development Agency (NSDA), National Skill Development Corporation (NSDC), Sector Skill Councils (SSCs), State government departments, Certification and Assessment Agencies, Employment Exchanges etc. to get their feedback on ongoing strategies and propose changes in the operational strategies, and quality standards.

b. Financial Management

- Build and strengthen capacities of finance officers in NPIU, and ITIs for implementation of agreed financial management procedures and system;
- Provide assistance to NPIU in coordinating receipt of quarterly information of un-audited Interim Financial Report (IIFRs) from the States / UT and preparation of consolidated quarterly IIFR for the project for submission to World Bank;
- Improve coordination with SPIUs and ITIs in tracking funds and expenditure;
- Oversee and provide support for timely release of funds and review the progress and expenditure, monitors the achievement against project indicators (DLIs)
- Contribute to adherence to FM aspects of Disclosure Management Framework of the project by NPIU.

c. Monitoring, Evaluation, and Reporting

- Provide support for strengthening mechanisms for collection of information and monitoring of targets based on key performance indicators, including through strengthening of the MIS system
- Assist NPIU and co-ordinate with SPIUs in monitoring and evaluating results of the project, against the targets projected in Institute Strategic Plans (ISPs) developed by ITIs and Industry clusters
- Support NPIU to review and track progress of implementation through a technology backed solution
- Support reporting and monitoring of DLIs and KPIs
- Consolidating and disseminating information on program progress in form of periodic implementation progress reports

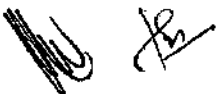

- o Provide coordination support to NPIU for conducting workshops, seminars, conferences, bi-annual Joint Review Missions and interim missions from time to time
- o Collect required information from the States and prepare documents for review missions and for other purposes as required by the NPIU
- o Assist in the preparation of TORs for evaluation of different aspects of the project, and commission the evaluation and assure quality
- o Help NPIU prepare quarterly progress report on some key inputs/outputs indicators
- o Support the NPIU and SPIUs to facilitate and analyze tracer studies

Help with knowledge transfer and capability building to ensure sustainability

- o Create best practice docket based on learnings from implementation of initiatives
- o Conduct forums for sharing and dissemination of best practices between ITIs/IAs/States
- o Design capability building modules for relevant stakeholders

In addition, tasks of the PMC team may include:

- Support the NPIU in following up the recommendations of Joint Review Missions and sharing feedback with State government counterparts;
- Support NPIUs in arranging workshops and trainings to facilitate cross-state sharing, and initiate dialogue and discussions on relevant issues/areas; as this will help in the development of policy framework.
- Periodic progress reports against agreed work plan to NPIU & the World Bank.
- Support as required for the successful implementation of the STRIVE program for the duration of the contract. This will also include visiting various states for coordination and project implementation activities during the contract period of the firm.

APPENDIX B - KEY EXPERTS

Name of Staff	Deployment Duration	Qualification	Position Assigned	Detailed Job description
Narayanan Ramaswamy	6 Months	<ul style="list-style-type: none"> • Post Graduate Diploma in Management (MBA) • Bachelor of Technology 	Program Leader	<ul style="list-style-type: none"> • Support the continuous improvement of the overall strategy for STRIVE. • Provide support in designing and implementation of Grant Agreements with Industry Apprenticeship Initiatives (IAIs) • Continuously provide inputs to improve project appraisal, project monitoring policies and risk management strategies. • Help in strategic development of the participating institutions • Conduct forums for sharing and dissemination of best practices between ITIs / IAIs / States.

1. Program Leader

1. **Proposed Position** Program Leader
 2. **Name of Firm** KPMG Advisory Services Private Limited
 3. **Name of Staff** Narayanan Ramaswamy
 4. **Date of Birth:** 13/06/1970 **Nationality:** Indian

5. Education:

Degree Obtained	Institution	Year
Post Graduate Diploma in Management (MBA)	Indian Institute of Management, Bangalore	1997
Bachelor of Technology	Thiagarajar College	1991

6. Membership in Professional Associations and Publications:

- Member of The Indus Entrepreneurs, TIE
- Member in Confederation of Indian Industries (CII)
- Member in Federation of Indian Chamber of Commerce and Industry (FICCI)
- Member in Retailer Association of India (RAI)
- Member in Students in Free Enterprise (SIFE)

7. Other Training: N/A**8. Countries of Work Experience: India, Sri Lanka, Bhutan, Middle-East and Africa****9. Languages: English, Hindi and Tamil****10. Employment Record:**

Period	Employer	Position Held
2003 – Present	KPMG Advisory Services Private Limited (KASPL)	Partner, National Head for Skilling and Education
2000 – 2003	Arthur Andersen	Manager
1997 – 2000	PwC	Senior Consultant

11. Detailed Tasks Assigned	12. Work Undertaken that Best Illustrates Capability to Handle the Tasks Assigned
<ul style="list-style-type: none"> • Support the continuous improvement of the overall strategy for STRIVE. • Provide support in designing and implementation of Grant 	<p>Name of assignment or project: Project Management Unit at Dept. of Technical Education (DoTE), Govt. of West Bengal Year: 2015 - 2017 Location: Kolkata Client: NSDC - Govt. of West Bengal (GoWB) Main project features: End to end project management support for (DoTE) including monitoring and evaluation of various central and state schemes, setting up of ITIs in PPP model, drafting criteria for vendor evaluations and creating and strengthening process and support systems for smooth functioning of the department and objectively achieve goals formulated by DoTE. Position Held: Engagement Partner (Project Leader) Activities Performed:</p>

<p>Agreements with Industry Apprenticeship Initiatives (IAls)</p> <ul style="list-style-type: none"> Continuously provide inputs to improve project appraisal, project monitoring policies and risk management strategies. Help in strategic development of the participating institutions Conduct forums for sharing and dissemination of best practices between ITIs / IAls / States. 	<ul style="list-style-type: none"> Participated in brainstorming sessions with key stakeholders to define tangible goals and objectives of the intervention and provide inputs to formulate the Results Chain. Provided guidance on legal and regulatory framework to carry out strategic initiatives in technical education. (For example privatization of ITI's, capacity expansion in the PPP model and setting of Skills University) Identified all possible PPP models that can be considered to improve the quality of training and present Value for Money (VfM) for GoWB. Conceptualized the overall blueprint for 510 Advanced Vocational Training Centers and 100 ITI's operating model under PPP route, transactions structuring to achieve better quality and reach Adopt international best practices in vocational education and adopt them to the Indian context. Oversaw end to end bid process management for selection of vendors required by the DoTE. Designed the draft templates and documents for PPP Transaction such as, Request for Qualification (RFQ), Request for Proposal (RFP) and Draft Concession Agreement Forged industry partnerships and alliances for placements, training, content development, endowment contributions etc. (For example Maruti, Samsung, Royal Enfield for CSR-linked training at existing ITI's) <p>Drafted guidelines based on Results Based Framework for supporting monitoring and evaluation on the ongoing projects</p> <hr/> <p>Name of assignment or project: Capacity Building of National Skill Development Agency: NSQF operationalization in 8 states by capacity building of state skill mission and other departments Year: 2015 – 2016 Location: New Delhi Client: Asian Development Bank Main project features: NSQF rollout and capacity building in 8 states Position Held: Engagement Partner (Project Leader) Activities Performed:</p> <ul style="list-style-type: none"> Provided extensive capacity building support for rollout of NSQF training programmes in states and central ministries through a structured workshop series for respective stakeholders. Developed training and evaluation content for the workshops and a self-learning IT enabled tool for learning and knowledge sharing Steered awareness and sensitization workshop about the NSQF and Qualification Files in the states and ministries for NSQF implementation Consulted multiple stakeholders (scheme implementing bodies and international donor agencies) to understand current monitoring and evaluation practices Assessed current monitoring and evaluation practices, study international reference cases and develop a common minimum M&E framework based on skilling schemes in India after developing an understanding of the current skilling landscape <p>Recommended a prescriptive terms of reference for conducting labor market studies</p> <hr/> <p>Name of assignment or project: Punjab State Skill Development Mission/ National Skill Development Corporation Year: 2015-16</p>
--	--

	<p>Location: Punjab Client: Punjab SSDM/ National Skill Development Corporation Main project features: To provide for State Skill Development Mission, an organization created within the Government to formulate and steer various skill development schemes and to bring necessary synergy, oversight, convergence and effective coordination in the implementation of various skill development schemes across the Departments Position Held: Engagement Partner (Project Leader) Activities Performed:</p> <ul style="list-style-type: none"> • Devised the operational blueprint and a detailed roadmap of the SSDM, including defining key functions and powers of the Governing Council, State Steering Committees, State Executive Committee, District Executive Committee, SPMU and DPMU and also clearly defined roles and responsibilities in a complex multi stakeholder environment • Provided strategic direction for partnering with various Central Government Ministries/Agencies, NSDC, SSCs, State Government Departments/Agencies and any other organization for effective implementation of various skill development Initiatives • Suggested innovative methods for an effective student mobilization process including focused awareness building campaigns. Holding camps and registration at village/ward level for identification of candidates and Batch formation based on counseling by the training partners • Led the design of annual operating plans (AOPs), standard operating procedures (SOPs), reporting structures and process and fund flow mechanisms • Formulated a methodology for target allocation and design a robust monitoring plan with tangible variables for meeting targets • Mobilised funds through focused outreach campaign and evolve a CSR strategy to lead multiple initiatives to channelize funds into the skilling ecosystem. As part of this Narayanan has overseen multiple efforts for setting up of Multi Skill Development Centers (MSDCs) and create better industry – ecosystem linkages. • Prepared quarterly and annual briefing for the project management committee.
	<p>Name of assignment or project: PMU for National Urban Livelihood Mission (NULM) at NSDC Year: 2014 - Ongoing Location: New Delhi Client: National Skill Development Corporation (NSDC) Main project features: NSDC has been appointed as fund manager for NULM, by Ministry of Housing & Urban Poverty Alleviation (MoHUPA). NSDC as fund manager implements NULM scheme across the states through its 'Training Partners', wherein funds for the same is transferred to NSDC by participating states. Position Held: Engagement Partner (Project Leader) Activities Performed:</p> <ul style="list-style-type: none"> • Liaisoned with 13 states for implementation of NULM scheme in partnership with NSDC • Devised target allocation methodology across sectors and urban local bodies based on skill gap reports, candidate mobilization,

	<p>curriculum design, assessment and certification, placement linkage, MIS etc.</p> <ul style="list-style-type: none"> • End to end monitoring of the scheme including technical support for planning, management, monitoring and reporting on the parameters identified during the project inception • Prepared evaluation criteria for selection of training partners and manage entire on-boarding process • Liaisoned with SSCs to assist States in finalization of courses, syllabi and normative training fees, alignment of courses and curriculum to NSQF guidelines <p>Name of assignment or project: Monitoring & Evaluation for National Skill Development Corporation (NSDC) Training Partners and Implementation of Pradhan Mantri Kaushal Vikas Yojna (PMKVY) Year: Nov 2015 (ongoing) Location: Delhi, India Client: National Skill Development Corporation Main project features: NSDC has - training partners who offer training to students in various sectors/trades. Apart from imparting training through its regular partners, NSDC is also implementing PMKVY and UDAAN scheme. Position Held: Engagement Partner Activities Performed:</p> <ul style="list-style-type: none"> • Overall supervision of the teams working on various schemes, client interaction and stakeholder management across value chain, review of deliverables/documents, resource planning, monitoring of progress and relevant updates, project management etc. <p>Name of assignment or project: Detailed Project Report (DPR) for developing state of art Skill Development Institute at Vizag Year: Nov 2016- Feb 2017 Location: Vishakhapatnam, Andhra Pradesh Client: Andhra Pradesh State Skill Development Corporation (APSSDC) Main project features: Andhra Pradesh State Skill Development Corporation (APSSDC) commissioned the study to preparation a Detailed Project Report (DPR) for setting up a Skill Development Institute (SDI) at Vizag. Position Held: Engagement Partner Activities Performed:</p> <ul style="list-style-type: none"> • Identified the critical success factors for setting up the proposed centre • Selected the key sectors/ trades important for proposed SDI based on "Sector Competitiveness Index" • Developed a conceptual blueprint for establishment of the SDI including a plan to establish the following Centres of Excellence at SDI, Vizag – Hydrocarbon, Construction & Building Services, Renewable Energy, Driver Training • Created an Operational Plan and Financial Model and costing analysis per student per hour for the proposed institute in order to attain self-sustainability. • Suggested a roll out strategy along with an actionable plan to develop the campus in a phased manner • Suggested an ecosystem within the SDI to enable it as an independent and self- sustaining organization within initial few years of roll out.
--	--

	<p>Name of assignment or project: Development of National Occupational Standards (NOS) for multiple sectors Year: 2012-2015 Location: New Delhi Client: Respective Sector Skill Councils – Rubber, Capital Goods, Telecommunication, Logistics, Life Sciences and BFSI Main project features: Assessing the market/ Industry needs for Occupational Mapping and Functional Analysis of occupations across various sectors Position Held: Engagement Partner (Project Leader) Activities Performed:</p> <ul style="list-style-type: none"> • Developed National Occupational Standards, for Rubber, Telecommunication, Capital Goods, Logistics, Life Sciences, BFSI sectors amongst others • Engaged with various industry stakeholders across Large/Medium/Small industries to understand existing requirements of employers • Drafted questionnaire and solicited above information from the respondents through a survey • Carried out occupational mapping of the sector based on extensive discussion with the industry and subsequently conduct functional analysis for identified job-roles to develop NOSs • Conducted industry validation of developed NOSs <p>Name of assignment or project: State Skill Gap Study covering 6 Indian States and 24 key sectors Year: 2012-14 Location: Pan India Client: National Skill Development Corporation Main project features: Surveyed and analyzed 24 key sectors and 6 states for mapping youth aspiration and conduct studies to estimate incremental manpower Position Held: Engagement Partner (Project Leader) Activities Performed:</p> <ul style="list-style-type: none"> • Developed strategy and design for conducting one of the firsts comprehensive skill gap studies conducted in India • Planned, structured and coordinated for the baseline surveys to understand current status quo • Identify and prepare a list of qualitative and quantitative variables to analyses during the course of the study • Devised the sampling methodology, sign off on sample size and data collections tools for the study. • Captured the feedback and recommendations to understand the expectations and aspirations of the students • Conducted extensive interviews, survey & focused group discussions across Large/Medium/Small industries to identify their current & future skills requirements and barriers to the access of skilled resources • Drew up a list of tangible actionable for bridging the Skill Gaps identified during the study • Geospatial analysis of the industrial and livelihood market, policy recommendations for government to improve upon the skill training infrastructure in the state, identification of district level key employment generating activities

- "Skill Training For Decent Work - Why the Informal Sector in India got left behind". Masters dissertation, LSE, September 2004.
- "Processes of Squatting & Rehabilitation: A Case of Delhi", ITPI Journal, 21:1 (2003) 25-35.
- "Policy Framework, Guidelines for Squatter Resettlement". B.Plan thesis, SPA, May 2001.
- "Natural Disaster Management: Concepts, Tools & Technologies". Paper presented at National Awareness Workshop by SPA & National Council for Disaster Management in 2000.

7. Other Training: Completed UNDP-Yale University Public Private Partnership for the Urban Environment (PPPUE) training programme in 2001

8. Countries of Work Experience: India, United Kingdom

9. Languages: English, Hindi, Bengali, Urdu

10. Employment Record:

Period	Employer	Position Held
Jun 2008 – May 2012	International Labour Organisation, New Delhi (India)	Consultant (Skills and Employment)
Feb 2007 – May 2008	London School of Economics, London (UK)	Researcher
Nov 2004 – Jul 2006	International Labour Organisation, New Delhi (India)	Researcher
Mar 2004 – May 2004	Overseas Development Institute, London (UK)	Consultant
Dec 2001 – Oct 2002	School of Planning and Architecture, New Delhi	Researcher

Jun 2000 – Aug 2000	Infrastructure Professionals Enterprise, New Delhi	Researcher
Jun 1999 – Aug 1999	Transport Planners Associates, New Delhi	Researcher

11. Detailed Tasks Assigned	12. Work Undertaken that Best Illustrates Capability to Handle the Tasks Assigned
<ul style="list-style-type: none"> • Co-ordinate the performance based grant funding mechanism with states and ITI's • Support state level capacity building and reform activities by creating model policy with regards to examinations and assessments, instructor recruitment and progression, instructor career progression • Assist in undertaking quality assurance programs such as grading of ITIs • Assist in creation of teaching and learning material 	<p>Name of assignment or project: Development of National Employment Policy Year: 2008 Location: New Delhi Client: Government of India (GOI) Main project features: A National Technical Consultation on Employment Policy for India was held in May 2008 with participation from all major tripartite stakeholders including the Minister, Labour and Employment, major trade unions, and employers' representatives. The Consultation focused on economic and labour market policies and discussed recommendations to mainstream employment into macro policy as well as a sector-focused approach to increase total employment absorption while maintaining high levels of productivity. The Consultation decided that working groups be constituted to go into specific policy areas. Position Held: I was invited to be a member of the skills development working group. Activities Performed:</p> <ul style="list-style-type: none"> • Participated in multiple meetings of the working group. • Wrote the final report of the working group, submitted to the Ministry of Labour and Employment, Government of India.
	<p>Name of assignment or project: Formulation of National Skills Development Policy Year: 2008 Location: New Delhi Client: Government of India Main project features: In 2009 the Government of India adopted the National Skills Development Policy (NSDP) as a framework for securing a skilled workforce that meets the needs of employers, boosting training capacity to over 10 million trainees a year, and increasing participation in the labour market of traditionally excluded groups. The ILO was requested by the GOI to provide technical assistance to develop the NSDP. Position Held: I was a member of the ILO team that facilitated the development of the NSDP. Activities Performed:</p> <ul style="list-style-type: none"> • As part of the ILO team, I facilitated multi-stakeholder consultations, shared international experience, and advocated the use of international labour standards as benchmarks for formulating the national policy. • Co-authored the final report that the ILO submitted to the GOI.
	<p>Name of assignment or project: Creation of a National Skills Qualification Framework (NSQF) framework for India Year: 2011 Location: New Delhi Client: Government of India</p>

<ul style="list-style-type: none"> Continuously improve project appraisal, project monitoring policies and risk management strategies. Support a Training Needs Assessment (TNA) exercise to identify training needs, development of a change management strategy, as well as staff recruitment at all levels Interact with various stakeholder at the National and State level. Conduct forums for sharing and dissemination of best practices between ITIs/IAs/States 	<p>Main project features: The National Skills Qualifications Framework (NSQF) was notified in 2013. The World Bank and ILO provided technical support to the Ministry of Labour and Employment in the preparation of the NSQF.</p> <p>Position Held: I was a member of the ILO team that facilitated the development of the NSQF.</p> <p>Activities Performed:</p> <ul style="list-style-type: none"> As part of the ILO team, I facilitated multi-stakeholder consultations, and shared international experience with the Government of India. Within the ILO, I also provided research support to the authors of the report containing specific policy recommendations that was submitted to the GOI. <hr/> <p>Name of assignment or project: Development of a Labour Market Information System (LMIS) for India Year: 2011-12 Location: New Delhi Client: Government of India</p> <p>Main project features: The Government of India and ILO created a National Skills and TVET Data Working Group which met multiple times between 2011-12 to establish a technical knowledge and issues base to facilitate the ultimate creation of a LMIS. This Working Group was headed by the Director General (Employment and Training) from the Ministry of Labour and Employment.</p> <p>Position Held: I was a member of the ILO team that participated in the working group.</p> <p>Activities Performed:</p> <ul style="list-style-type: none"> To create a discussion base, the ILO undertook a study/environmental scan of the current sources of skills development data. I provided the principal research support to the Senior Skills Specialist at the ILO who created the document. <hr/> <p>Name of assignment or project: Implementation of two 4-year pilot projects for livelihood development in two Indian states under GOI Skills Development Initiative Year: 2008-12 Location: New Delhi and Firzoabad (Uttar Pradesh) Client: Government of India</p> <p>Main project features: The NSDP 2009 initiated a shift to modular vocational training delivery with an emphasis on learning outcomes tested via the attainment of competencies. Given its vast technical and international experience, the ILO was requested by the Government of India to run three pilot vocational training projects to provide a best practice model that the Government could learn from and subsequently replicate on its own.</p> <p>Position Held: Consultant</p> <p>Activities Performed:</p> <ul style="list-style-type: none"> Identified ecosystem of 10 training providing agencies, 40 master trainers to perform training of trainers, and over 100 individual trainers from existing cluster workforce. Identified and established partnerships, at state and national levels, with 10 government agencies, 10 elected representatives, 5 major industries, 3 industry associations, 5 worker bodies, and 10 high-level experts to obtain multi-level, cross-cutting buy-in for the pilots.
---	--

	<ul style="list-style-type: none"> • Developed, in collaboration with experts, competency levels for outcome-based training in 6 trades across the domestic work and glassware clusters, along with detailed curricula and training materials for each trade. Organised two-stage peer-review of all content by 20 trainers, and 10 representatives from government, industry, and workers associations. • Developed in-training monitoring metrics and post-training evaluation framework and supervised their deployment in the field. Tracked post-training employment for 200 trainees leading to modification of curriculum and delivery systems. • Supervised development of a prototype digital chip-based updatable 'skills card'. The card was designed as a portable, updatable solution enabling verification of qualifications, skills, and experience of low-literacy vocational tradesmen by prospective employers. <p>Name of assignment or project: Development of technical and business plans for the creation of the national Handicrafts and Handlooms Sector Skill Council (SSC) Year: 2012 Location: New Delhi Client: National Skills Development Corporation Main project features: Subsequent to the successful completion of the 4-year pilot vocational training project in the glassware handicraft sector in Firozabad, the NSDC requested the ILO to facilitate the creation of a Sector Skills Council (SSC) for the handicrafts sector. Position Held: Consultant. I had sole charge of the project from inception to submission of the creation proposal to the NSDC. Activities Performed:</p> <ul style="list-style-type: none"> • Conducted a sector scan to identify major ministries, public sector organisations, large and small private firms, trade union partners, and area experts with a significant influence in the handicrafts sector. • These partners were then brought on-board the project over the next few weeks through multiple personal one-on-one meetings with Secretary-level officers, CEOs of private and public sector companies involved in the handicrafts sector, trade union leaders etc., explaining the concept and benefits of the SSC, which was a brand new concept in the Indian vocational training landscape. • Organised two national workshops with participation from over 50 stakeholders from across India to discuss the modalities of establishing the SSC. As a result of these two workshops, the founder members of the SSC were finalised. • Created the technical and financial proposals (in the standard NSDC approved format) for the creation of the SSC which sequenced in detail the major sub-sectors that would be green-lit for intervention and the timeline and budget for the various activities. • The SSC was created in 2013 and is currently operational. <p>Name of assignment or project: Post-project evaluation of the ILO-UNDP Alternative Livelihoods Project (ALP) Year: 2008 Location: Tamil Nadu and Kerala Client: United Nations Team for Recovery Support (UNTRS) Main project features: As part of the recovery and rehabilitation efforts in the wake of the 2004 Asian tsunami, the ILO and UNDP, under overall coordination by the UNTRS, conceived and ran multiple vocational</p>
--	--

	<p>training and entrepreneurship development programs in affected districts of Tamil Nadu and Kerala.</p> <p>Position Held: Consultant</p> <p>Activities Performed:</p> <ul style="list-style-type: none"> • Spent a month travelling to multiple projects in Tamil Nadu and Kerala and interviewing beneficiaries, teachers and trainers at the ITIs where the beneficiaries had been trained, and other stakeholders (such as banks, local enterprises, and trade unions) to obtain qualitative and quantitative data about individual programs. • Using the above data I assessed the effectiveness of individual ITIs in addressing beneficiary training and entrepreneurship aspirations as well as the relevance of the training to local industry requirements. • Also wrote a 10-step global strategy guide to project implementation for disaster rehabilitation for the ILO.
	<p>Name of assignment or project: Creation of the urban governance knowledge base for the Urban Age India Conference (Mumbai 2007)</p> <p>Year: 2007-2008</p> <p>Location: London, UK</p> <p>Client: London School of Economics (LSE)</p> <p>Main project features: At the LSE I worked at the Urban Age project, an international investigation of cities that, since 2005 has studied the social, economic, and spatial dynamics of megacities such as Delhi, London, Mumbai, Shanghai, New York etc.</p> <p>Position Held: Researcher</p> <p>Activities Performed:</p> <ul style="list-style-type: none"> • I created the knowledge database for the cities of Delhi, Bengaluru, and Mumbai from secondary data sources and interviewing prominent stakeholders (such as Principal Secretaries of various state Town Planning departments, CEOs of parastatals, and academics) involved in urban governance and management in the three cities • I was part of the LSE team that organised the inaugural International Urban Age Conference held in Mumbai in 2007. The conference was attended by over 250 global leaders from 15 countries.
	<p>Name of assignment or project: A Study of Administrative Control over urban local bodies in the states of UP & MP (India)</p> <p>Year: 2001-2002</p> <p>Location: Uttar Pradesh and Madhya Pradesh</p> <p>Client: UNDP</p> <p>Main project features: This project was a primary investigation carried out over six months to evaluate the effectiveness of urban governance structures in various urban local bodies in the two states of UP and MP.</p> <p>Position Held: Researcher</p> <p>Activities Performed:</p> <ul style="list-style-type: none"> • Under supervision of the project head, I managed a team of 10 field researchers in UP and 7 researchers in MP including coordinating and sequencing research, managing project finances, and troubleshooting. • I was also in-charge of qualitative and quantitative data analysis and co-authored the final report submitted to the UNDP.

APPENDIX E - FORM OF ADVANCE PAYMENTS GUARANTEE --- NOT APPLICABLE
[See Clause GCC 41.2.1 and SCC 41.2.1]

{Guarantor letterhead or SWIFT identifier code}

Bank Guarantee for Advance Payment

Guarantor: _____ *[insert commercial Bank's Name, and Address of Issuing Branch or Office]*

Beneficiary: _____ *[insert Name and Address of Client]*

Date: _____ *[insert date]*

ADVANCE PAYMENT GUARANTEE No.: _____ *[insert number]*

We have been informed that _____ *[name of Consultant or a name of the Joint Venture, same as appears on the signed Contract] (hereinafter called "the Consultant")* has entered into Contract No. _____ *[reference number of the contract]* dated _____ *[insert date]* with the Beneficiary, for the provision of _____ *[brief description of Services] (hereinafter called "the Contract")*.

Furthermore, we understand that, according to the conditions of the Contract, an advance payment in the sum of _____ *[insert amount in figures] () [amount in words]* is to be made against an advance payment guarantee.

At the request of the Consultant, we, as Guarantor, hereby irrevocably undertake to pay the Beneficiary any sum or sums not exceeding in total an amount of _____ *[amount in figures] () [amount in words]* upon receipt by us of the Beneficiary's complying demand supported by the Beneficiary's a written statement, whether in the demand itself or in a separate signed document accompanying or identifying the demand, stating that the Consultant is in breach of their obligation under the Contract because the Consultant:

- (a) has failed to repay the advance payment in accordance with the Contract conditions, specifying the amount which the Consultant has failed to repay;
- (b) has used the advance payment for purposes other than toward providing the Services under the Contract.

It is a condition for any claim and payment under this guarantee to be made that the advance payment referred to above must have been received by the Consultant on their account number _____ at _____ *[name and address of bank]*.

The maximum amount of this guarantee shall be progressively reduced by the amount of the advance payment repaid by the Consultant as indicated in certified statements or invoices

¹ The Guarantor shall insert an amount representing the amount of the advance payment and denominated either in the currency(ies) of the advance payment as specified in the Contract, or in a freely convertible currency acceptable to the Client.

marked as "paid" by the Client which shall be presented to us. This guarantee shall expire, at the latest, upon our receipt of the payment certificate or paid invoice indicating that the Consultant has made full repayment of the amount of the advance payment, or on the __ day of [month], [year],² whichever is earlier. Consequently, any demand for payment under this guarantee must be received by us at this office on or before that date.

This guarantee is subject to the Uniform Rules for Demand Guarantees (URDG) 2010 revision, ICC Publication No. 758.

[signature(s)]

² Insert the expected expiration date. In the event of an extension of the time for completion of the Contract, the Client would need to request an extension of this guarantee from the Guarantor. Such request must be in writing and must be made prior to the expiration date established in the guarantee. In preparing this guarantee, the Client might consider adding the following text to the form, at the end of the penultimate paragraph: "The Guarantor agrees to a one-time extension of this guarantee for a period not to exceed [six months][one year], in response to the Client's written request for such extension, such request to be presented to the Guarantor before the expiry of the guarantee."
