Subject: Concept of Controller of Exams and the adoption of Certification Standards

Sir,

This is to inform that 1st meeting of newly constituted Sub-Committee on Norms & Courses was held on 30th January, 2019 at Conference Room, DGT, Pusa, New Delhi wherein **review of concept of Controller of Exams and the adoption of Certification Standards, so that digitally signed PDF and JSON will be issued for all AITT and AVTS** as an agenda no. 07 was discussed.

Following is approved for implementation:

The Director, Trade Testing Cell should be entrusted with duties of "*Controller of Examination*" for All Tests being conducted under DGT and the signature of controller of examinations should be put in place of Secretary, NCVT on all types of certificates issued by DGT. All certificates should indicate that "**Directorate General of Training is recognized as Awarding Body by NCVT**".

The committee also recommends that all marksheets & certificates issued from DGT should be issued with digitally signed PDF format and may also be issued in JSON format for consent based data portability. Digitally signed documents will also ensure server less verification of these Certificates/Marksheets.

For Advance Vocational Training Scheme (AVTS) and any other programs run at NSTIs, the RDSDE concerned will Act as "Controller of exam" for issuance of Certificates of participation.

Accordingly, it is requested to take further action at your end.

Yours faithfully;

(Deepankar Mallick)

Deputy Director General (C, P & Admn)
