Subject : Clarification regarding renaming of existing trade from 'Architectural Assistant' to 2 year trade 'Architectural Draughtsman' under CTS.

Sir/Madam,

Please refer to office order of this Directorate vide letter MSDE- 19/02/2018-CD dated 26th February, 2019 regarding renaming of existing trade from Architectural Assistant to 2 year 'Architectural Draughtsman' under CTS to communicated to all States/ UT.

In context of continuation of affiliation of trade while renaming of existing trade from Architectural Assistant to 2 year 'Architectural Draughtsman' under CTS, It is clarified that ITIs which are already affiliated for trade 'Architectural Assistant', Architectural Draughtsman' (duration 1 year) their affiliation will continue in trade 'Architectural Draughtsman' of two year duration for the session started August, 2019 onwards because of very nominal changes in Machinery & Equipment i.e in software.

However, it must be ensured that any shortage of tools & equipments including software, must be fulfilled within 3 months of conversion of 'Architectural Assistant' / 'Architectural Draughtsman' (1 year) to two year 'Architectural Draughtsman' Course.

Yours faithfully

(G.Giri)
